## CIVIL SERVICE

*President: I. Hunter*

*Hon. Secretary: Jim Kellett*

*Hon. Match Secretary: Terry Walters*

The Club was founded in 1863, the same year as the Football Association and was represented at its inaugural meeting, remaining a Full Member ever since. It was also among the inaugurators of and competitors in the first F.A. Cup competition of 1871. Although it took a leading part in the formation of the Isthmian (Diadora) League, the Club kept faith with the AFA spirit, came with us at the split and was among the first members when the SAL was formed, with the AFA, in 1907. After the AFA reconciliation with the F.A. the Club re-joined the Isthmian League from 1914-1930, and then returned to the Southern Amateur League. It has been at the present ground since 1925.

CSFC played a significant part in promoting the game in Europe with annual tours and has been honoured with life membership of what was Slavia (Prague) and Real Madrid. In a long and distinguished history it has captured many trophies on one or more occasions, including the London Senior Cup, AFA Senior and Middlesex Senior Cups as well as the Southern Amateur League Championship on occasion.

### THE CIVIL SERVICE SQUAD

**Ian Smith** Goalkeeper. Recently played his 250th game for the Club, having joined when he was 16. Supports Crystal Palace. Recently a dad for the first time.

**Ian Campbell** Right Back. Scottish. Now in his third season. Claim to fame - he was Montrose F.C. record signing.

**Terry Earnshaw** Left Back. Londoner, 10 years with CSFC. Nicknamed "Todger" after 1986 Club tour to Hamburg - nobody remembers why !

- Adrian Holland** Central Defender. From Doncaster, "Dutchy" looks older than he is. Joined the Club 1988 and is equally at home as a striker. Has represented The AFA.
- Karl Burrows** Central Defender. From Tamworth; works in the Foreign Office. Was recently in Honduras where they too had difficulty with his accent. In first season in the SAL.
- Ivan Scott** Midfield. First played in the SAL at the age of 14. Very skilful and totally laid back. He gave best reason for being late to a match - an angry girl friend drove off in his car and left him stranded when he got out to buy a bottle of Lucozade.
- Paul Kane** *Captain* - Midfield. A regular AFA Representative player this season, his third with CSFC. From Leeds (with Scottish parentage) he wants to be a male model when he grows up.
- Eddie Saunders** Midfield. From Bradford. Youngest and newest player in the team. Easy to instruct but he will kill for a tea ticket.
- Duncan Fountain** From Manchester. Supports United (and heaven help you if you criticise them !) 6 years with CSFC he does something shady for the MOD (or is it MI6 !?)
- Rob Humphreys** Midfield / Striker. From Essex. Moved up from the 3rd. XI this season, and had made an immediate impact. Has also played in goal for the 1st XI.
- Simon Vaughan** Striker, from Liverpool. In his fifth season with CSFC, is a reliable finisher as well as a scorer of spectacular goals. Was at Port Vale as a youngster, but is an accountant these days.
- Jim Jenkins** Striker from Nottingham area. A regular Representative player for the SAL, he has been top scorer for the Club for the past five seasons. Works for the Crown Prosecution Service; has ambitions to be a judge so he can dress up and hand out discipline !
- Roy Taylor** Reserve Defender / Midfield. A versatile and dependable player in his second season at Chiswick, hailing from Customs & Excise.
- Gordon Saint** *Manager*. From Darlington. 20 years with CSFC. Currently Club Captain. Has played for all CSFC teams save the 9th, and occasionally turns out for the Veterans. Presently very worried about his speech at the Annual Dinner.

# NATIONAL WESTMINSTER BANK

*President: Martin Rowland*

*Hon. Secretary: John Grindley Hon. Match Secretary: Andy Crawford*

The Club was formed in 1970, following the merger of the National Provincial, Westminster and District Banks. In its first season, 1970-71, seven teams played in the Southern Amateur League, six in the London Banks League and a Veterans' XI was also fielded.

In 1979 the Club reached a peak of running 18 sides each Saturday. Although no longer boasting the same number of players, it still ranks as one of the biggest in amateur football, fielding 12 League sides, a Veterans' and Sunday teams during the current campaign.

The first Senior Cup Final was reached at the end of season 1977-78, losing 1-3 to Kew Association. However, the 1992-93 season saw the 1st. team achieve an unprecedented treble by winning the Southern Amateur League Division 1 Championship, the A.F.A. Surrey Senior Cup and a first success in the A.F.A. Senior Cup.

That Senior Cup Final, drawn at 2-2, went to a replay against Old Hamptonians, when Natwest ran out convincing winners a week later. Several of the players on show in those games of last season are making another appearance today.

This season is the Silver Jubilee season, and the Club can look back on a proud history marked by triumphs at all levels, during the first 25 years. A victory today would be a magnificent way to celebrate the anniversary.

## THE NATIONAL WESTMINSTER BANK SQUAD

- Nick Daragon** Club Treasurer .. safe as the Bank of England. Will dominate the 6 yard box ....
- Paul Ryan** Pint-sized skipper with gallons of heart. Has notched in the Final before.
- Martin Bagshaw** Night Club king and doyen of the Covent Garden set. Models for Marlboro cigarettes and McCoy Crunchy crisps.
- John Leach** Enjoys hearty female support - a real Ladykiller who tells other lads there's no rush !
- John Bartley** Recently engaged centre half in the Alan Hansen mould. Has a big entourage headed by big "Bad" Mick Bartley, tutor, minder and Dad.
- Rob Machin** Powder-puff ball winner. Now spends his time racing pigeons and trying not to get injured whilst reading tabloid junk on bog seats !!
- Phil Davies** Greyhound with two left feet. but like the "O's" goes down frequently and worth little more than a fiver !
- Kevin Duffy** NWB's Marathon Man. Two good feet ... blistering pace and deadly within 30 yards. The complete player and odds-on for first goalscorer.
- Rod Ramsay** More bookings than London Arena and always smells lovely with his collection of body oils and aromas ..... Mmmmmmm !!
- Joe Connolly** City-based yuppie with Beamer to boot. Like Boleyn heroes however, will need to score more to retain status
- Steve Aldridge** Man at C & A and has real killer instinct ... for crosswords ! Nice sort regularly in tow and now released from car park to pitch sidelines.
- Jamie Dunckley** Known as P.O.M.O. (plenty of meals, overweight) But has got NWB to Final almost single-handedly ... Can he finish the job ... ?
- Mick Cuthbert** Scourge of the bookies and also something of a golf-bandit. Will give everything in Ladbrokes, but also over 90 minutes.
- Lloyd Randall** Shell-suit collector with good first touch ... but not quite reaching standards set by his Old Man ... ?
- Steve Thomas** Not seen his feet since Abba were No. 1 in the charts ! Thankfully though he takes good care of everyone else.

## A.F.A. INTERMEDIATE CUP

Last Saturday, at Old Actonians, saw Polytechnic Reserves with a 3-0 lead close enough to the end of 90 minutes for the Cup and Medals to be prepared for presentation. Thereafter and exciting time was had by all, three CSFA goals forcing extra time when, presumably, "Strikers Exhaustion" meant a replay was required for today - when a decision will be reached by kicks from the penalty mark should the balance extend that far.

Everyone concerned must feel more than grateful that Bank of England has welcomed this Final replay as well, at such short notice and giving Civil Service a splendid opportunity for ample support. For the impartial observer it is a happy coincidence that the only two Clubs of the Alliance that are Full Members of the Football Association should face each other today. Polytechnic are 13 years younger than the Civil Service Club, but there will have been few if any occasions when the two have met in a Final over the 120 years since both have been in action.
